Additional information

A three-room apartment is for sale in Lina 18a, a new building in Lillepark, in the suburbs, the price includes a storage space and a car parking space in an area separated by a barrier.

The apartment is sold with kitchen furniture and appliances (included in the price).

The apartment has high ceilings and oak parquet. A children's playground in the yard of the house.

The house is located in a developing area, when the new bridge is completed, the city center is much closer than before.

Lillepark homes have all modern conveniences. The houses have storage spaces and separate bicycle rooms. The apartments have light-filled floor-to-ceiling triple windows and a balcony, the apartments on the first floors have a terrace and their own small outdoor area. Room-specific adjustable water floor heating (district heating) and ventilation with heat recovery add to the comfort.

The new Lillepark homes combine the comforts of an apartment building and the peaceful environment of a garden city. It is a good choice for families with children. Kindergartens, a school and grocery stores, as well as a bus stop, are within 1 km radius, which make everyday tasks easy and convenient. A quick connection to the city center and light traffic roads further expand the possibilities of movement.

The building has been issued with an "A" energy label.
