Additional information

A stylish apartment in the heart of the beach district! This tastefully designed and high-quality 3-room apartment is located near the beach, Ranna Stadium, and green parks, in a traditional villa-style apartment building. The apartment is situated in the more private courtyard area of the plot, on the ground floor, featuring a spacious layout (87.3 m²) and a large terrace (45.6 m²) that enjoys the southern and evening sun. The period-appropriate architecture and interior design create a harmonious whole, making this apartment an ideal choice for those seeking a home in Pärnu's most desirable location.

The apartment boasts an elegant glass-enclosed veranda-style living room (26.4 m²) and a bedroom (17.4 m²). The kitchen (9.5 m²), seamlessly connected to the living room, is equipped with Schmidt kitchen furniture and high-quality Smeg appliances. Additionally, there is a second bedroom (11.7 m²), a spacious bathroom (8.1 m² with both a bathtub and a separate shower), and hallways. The rustic oak parquet flooring, wooden wall panels, tasteful floor tiles, and period-appropriate sanitary fixtures all contribute to the apartment's refined style. Carefully selected furnishings, custom-made furniture, and high-quality materials create a cohesive atmosphere that offers a truly enjoyable living environment. The apartment is sold fully furnished, including all furniture, home appliances, floor and window textiles, and terrace furniture (a new terrace was installed and new terrace furniture purchased in 2023). The registered property size is 132.9 m² (apartment + terrace).

The apartment is cooled and heated via a heat recovery ventilation system integrated with an air source heat pump. The stone apartment building, clad in wooden siding to match the beach district's architectural style, was newly constructed in 2014. Parking is available in the courtyard, with the apartment having the exclusive right to two private parking spaces. In addition, there is a storage room located in a small outbuilding.

If you are looking for a stylish home in a prime location, this apartment is the perfect choice!

KINNISVARAEKSPERT has been operating on the Estonian market since 1993. Our offices are located in Tallinn and Pärnu, and we serve you all over Estonia. Through cooperation partners Nord Prime Capital and Alliance Group UAB, we are also represented in Latvia and Lithuania.

We offer brokerage services, valuation and real estate advisory services in both the private and commercial sectors.

Kinnisvarekspert works closely with one of the world's largest real estate companies, Cushman & Wakefield. Our cooperation spans all over the world.
